**RESPONSE TO NOTICE TO FILE MISSING PARTS OF
NONPROVISIONAL APPLICATION FILED UNDER 37 CFR 1.53(b)**

Dear Sir:

In response to the Notice to File Missing Parts of Nonprovisional Application dated August 4, 2004, Applicants submit original signature Declarations of all inventors, and the requisite fee.

The Notice to File Missing Parts also states that "A copy of the 'Sequence Listing' in computer readable form has not been submitted as required by 37 CFR 1.821(e)". In response, Applicants assert that two CDs containing copies of the sequence listing were furnished to the USPTO on the filing date of the instant application, November 13, 2003, along with the specification, paper copy of the sequence listing, Statement under 37 CFR 1.821(e), and accompanying documents as listed on the self-addressed, stamped return postcard that were filed with the instant application. The originally filed CDs were identical in content and each contained an electronic copy of the paper Sequence Listing as filed. As evidence, Applicants are providing a copy of the original postcard stamped by the USPTO and indicating receipt of two CD-ROMs, as well as the original statement under 37 CFR 1.821-1.825 averring that the contents of the CDs and the paper copy of the Sequence Listing were identical. As

App. No. 10/714,887
Response dated September 30, 2004
Reply to Notice to File Missing Parts of August 4, 2004
Docket No. MBI-0058CIP

evidence that the USPTO received the CDs and Statement under CFR 1.821(e), Applicants are including in this response two documents downloaded from the USPTO PAIR website: 1) a copy of the Statement under CFR 1.821-1.825 as originally filed, and 2) copies of Artifact Sheets indicating the receipt of two CDs containing the Sequence Listing filed with the application.

In the event that the USPTO has lost the CDs as originally filed, Applicants include in this response two (2) CD-ROMs each containing the Sequence Listing in computer readable format as a courtesy. The replacement CDs, "Courtesy Copy 1" and "Courtesy Copy 2", each contain an electronic copy of the paper copy of the Sequence Listing as originally filed with the instant application. The replacement CDs, Courtesy Copy 1 and Courtesy Copy 2 are identical to each other (each contains one copy of the sequence listing), and the replacement CDs are identical in content to the CDs filed with the application on November 13, 2003. Therefore, no new matter is introduced by the replacement CDs.

This Response is filed within two months of the date of the Notice to File Missing Parts; therefore, this Response is timely filed. Accordingly, no fees are due with this Response other than the requisite declaration surcharge under 37 CFR 1.16(e). If, however, the Commissioner determines that a fee is due, the Commissioner is hereby authorized to charge such fee to Mendel Biotechnology, Inc.

Deposit Account No. 50-1025. This document is submitted in duplicate.

Respectfully submitted,
